dtallon@milltown-institute.ie

Part-time students are welcome to study in the Milltown Institute and may select from the wide range of Scripture, Spirituality, Theology modules offered in each semester during the year. Modules may be taken for assessment or for personal enrichment. A brochure with the listing of modules available in each semester can be viewed on the website or can be had from Room 7.

Single Subject Certificates/Audit Certificates

Individual selected modules can be assessed in the usual manner and single subject certificates are issued for accumulation and transfer of credit. Modules that are attended without taking assessment may be recorded on an Audit Certificate. The Audit certificate is issued only when a completed audit recording form is signed by the lecturer prior to the end of semester.
